Drayton Valley Included in Plan Embracing Western Alberta Area

At a meeting in Edson last Wednesday evening plans were set in motion to bring Communities in this Western Alberta region together in a co-operative bid to increase tourist revenue. The meeting was called by the executive of the Edson Chamber of Commerce and was attended by representatives from the towns of Hinton, Whitecourt, Edson and Drayton Valley.

A.R.D.A. authorities have made a number of surveys of Census Unit No. 14, which does not include Drayton Valley and determined that a major resource in the tourist industry was not being exploited as well as it might to add to the economy of the area.

Census Unit No. 14 ends on the West side of the Pembina River, but in squaring up the area, Drayton Valley was included and the boundaries now run West of Drayton to Hinton and North to Whitecourt.

A.R.D.A. surveys have estimated that tourist potential in the area outlined could reach as high as $10 million annually and is presently realizing less than $1 million.

First step in a long range plan will be the publication of 40,000 brochures outlining tourist attractions in the area. The brochures are to be ready in time for mailing prior to the next vacation season.

A.R.D.A., to assist in getting the project rolling, is putting up 75 percent of the cost of the brochures with the four Chambers of Commerce putting up $250 each.

The brochures, of the road map type, will show natural features such as streams, lakes etc. with emphasis on tourist facilities and anything that might be of interest to visitors.

Publication of the brochures is only a preliminary and enough to get things moving for this year. Much more planning for the future is to be undertaken later.

G.R. Sterling of the Provincial Government, Department of Agriculture was present at the meeting which was attended by A. Braden, W. Johanneson and Dr. R. Findlay representing the Drayton Valley Chamber of Commerce.

Town Planner to Speak at Banquet

Plans were made at last Thursday's regular meeting of the Drayton Valley and District Chamber of Commerce to have Mr. D.L. Makale, a town planner, to address a dinner sponsored by the Chamber on February 21st.

A general plan for economic development is required of any community that intends to attract new business and industry. With the details of a general plan for information private firms and lending institutions are given a better appraisal of the community and are more likely to invest than they would otherwise.

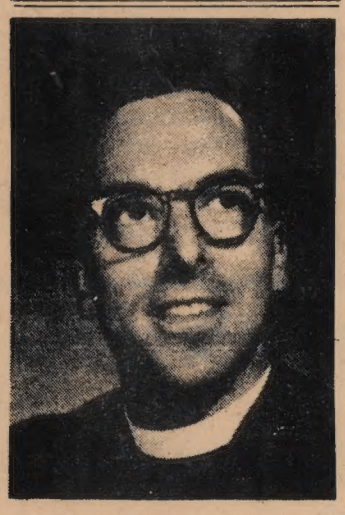
Other benefits of having a "General Plan" would include additional provincial services if the general plan shows that prospects of the growth of the town are favorable. Also the federal government through the Central Housing and Mortgage Corporation would provide assistance in the Urban Renewal Development and favor mortgage loans for such and other developments

The number of firms able to conduct and provide a general plan are limited, and Mr. Makale is associated with one that can. His experience includes working with the Edmonton Regional Planning Commission.

Tickets for the dinner are now available from F. Raven and anyone in the community interested in the economic growth of the town is invited to attend.

Signs of Early Spring?

Barry Rehbein, two and a half, is shown above holding several shoots of pussy willows picked in town on Saturday, February 5th. Usually a welcome harbringer of spring, it seems the pussy willows are rushing the season a little. Barry is the son of Mr. and Mrs. Vern Rehbein of 4515 - 45th Avenue.



Rev. G. E. Ingram

Rev. Ingram Named as Rural Dean

A new Deanery has been formed to strengthen communication in the Western end of the Anglican Diocese of Edmonton. The new Jasper Deanery embraces Jasper, Hinton, Edson, Evansburg and Drayton Valley.

The Bishop has appointed the Rector of Drayton Valley, the Rev. Gordon E. Ingram as the Rural Dean.

Mr. Ingram is married with two children and has been in his parish since November, 1962 when he moved from Edgerton.

He is an Edmonton man and served as a layman in mission schools in the Northwest Territories before his ordination in 1959.

CHAMBER BRIEFS

At Thursday s meeting the members were informed by letter from the Guelph Veterinary College that the Chamber s letter seeking a veterinarian had been posted and brought to the attention of students.

* * *

Bob Cowan of the Education Committee reported that a course in finance and taxes would start early in March. The course would tie in with those in management and bookkeeping, he said.

* * *

A banquet for graduates of classes sponsored by the Chamber is scheduled for February 28th.

* * *

W. Johanneson, reporting for the Membership Committee, stated that notices have gone out and will be followed by a second mailed notice and a personal canvass. He stated that it was possible that by the end of March the Chamber could have as many

NEW BUILDING AT BRETON

Treasury Branch Formal Opening

The official opening of the new Treasury Branch building in Breton will take place Tuesday, February 15th, it has been announced by C.G. Davey, Superintendent of the Province of Alberta Treasury Branches.

The ceremony will begin at 3:00 p.m. with opening remarks by Breton Mayor Cleve Carson. James. D. Henderson, M.L.A., will give an address, and Arthur N. Stephenson, President of the Breton Chamber of Commerce and R. Hartman, manager of the Treasury Branch, will speak as well.

The ribbon cutting ceremony will be performed by C.G. Davey. Light refreshments will be served and the premises will be open for inspection of the public until 5:00 p.m.

The Breton Treasury Branch which first opened in May, 1961, will continue with its present staff of four, under Manager R. Hartman.

Highway Tenders Called

Tenders have been called by the Alberta Department of Highways for a stabilized gravel base course on Highway 57 on a ten mile stretch between Buck Creek and Alsike.

Tenders have also been called for grading and gravel surfacing on Highway 39 for eleven miles between Alsike and Norbuck.

Closing date for bids is February 16th.

Tourism Speakers at Hinton

Mr. Ed Bryant, Director of the Alberta Government Travel Bureau and Mr. Georg Les Strange, Manager, Alberta Tourist Association will speak at the Athabasca Valley Hotel in Hinton on Monday, February 28th at a 12 noon luncheon.

The subject of their address es will be "Tourism is everybody's business," and "Cooperate and co-ordinate for matching dollars to promote your area."

A special invitation has been extended to Chambers of Commerce and local govgovernments.

NEW THIS WEEK

A new feature, appearing in The Western Review for the first time this week, is "The Smile Bag", a cartoon strip found on Page 13. We hope you get a few chuckles from the strip, enough at least to warrant its continued publication.

2014.18.190B

District Doctors to Attend Conference

The University of Alberta's Department of Continuing Medical Education is holding the second session of the 1965-66 Regional Conference Program for the Drayton Valley area at the Leduc Municipal Hospital February 16, 1966. Guest speakers for this session on "General Medicine" are Dr. W.R. Black, F.R.C.P.(C), Instructor, Department of Medicine, Edmonton, and Dr. D.L. Judge, Assistant Clinical Professor, Department of Medicine, Edmonton.

This is the second of three conferences held in the Drayton Valley area this year, designed to keep the practising doctors in Drayton Valley, Leduc, Mayerthorpe, Evansburg, Stony Plain, Devon, Thorsby, Warburg, and Breton abreast of new developments in medical science. Patients in these areas are asked to keep calls to their doctors at a minimum February 16th.

The Drayton Valley area is one of eleven areas in the province which participate in this highly successful program for the continuing education of doctors. Two hundred and thirty doctors throughout the province attend the sessions.

D. V. Highlights

BY- MRS. EDITH DEBY

Mrs. Cecil Wall of Edmonton visited relatives and friends in the Rocky Rapids district for several days last week.

The L.W.G. held its fortnightly whist part in the Dunington Farm Union Hall on Saturday evening. Winners were: Ladies High - Mrs. Edith Dunnington; Gentleman's High - Mr. Louis Matson; Ladies Consolation - Mrs. Walter Lainchbury; Gentleman s Consolation - John Mikulin.

Mr. and Mrs. Milt Jensen have purchased the farm on which the Hoot Owl Hall stands and will be building a new house in the spring.

Speaking of new houses, Verna and Eddy Hines are spending all their spare time planning their new farm home.

Mr. and Mrs. Karl Wahl of Medicine Hat were Drayton Valley visitors on the weekend.

The Violet Grove Hall committee sponsored a successful dance last Friday night. It is planned to start having fortnightly whist parties, alternating with those held at Dunington.

Mr. and Mrs. Reg Ross and Mr. and Mrs. Bob Mayhew returned early Monday morning from Victoria where people are working in their gardens and flowers are starting to bloom.

PRE-BAPTISM CLASSES AT CALVARY CHURCH

Membership (pre-baptism) classes will begin at Calvary Baptist Church on Sunday, February 13th.

The classes will include studies in Church History, Bible Doctrine and Christian Experience and will meet each Sunday at 9:45 a.m. for six weeks.

These classes are open to everyone. No obligation toward Baptism or Baptists Church membership are upon those who wish to attend. All are welcome who wish to learn the history or doctrine of the Church.

DRAYTON VISITOR

Mrs. Bob Schaer of Sylvan Lake is a Drayton Valley visitor. She is visiting her daughter, Mrs. Jim Thorkman in Drayton. Mr. Bob Schaer and son Ted were also visitors in Drayton Valley on Sunday.

paid up members as were on the roll at the end of December last year.

* * *

Tom Johnstone, reporting for the Industrial Development Committee, stated that statistical material had been ordered from the Federal Department of Industry. With statistics on various industries, he stated that it would be possible to determine what the district might have to offer particular types of manufacturing processes.

If the statistics reveal any possibilities the leads could then be followed up by the Chamber.

* * *

Bill Johanneson reported on the meeting held in Edson last week in connection with tourism and reported elsewhere in the newspaper.

A letter was read from the Alberta Tourist Association indicating that for every dollar put up by responsible groups for tourist promotions the Association would also put up one dollar. Plans and applications must be submitted to the Association for approval.

* * *

Bill Johanneson also reported that Mr. Lou Robinson, Industrial Relations Officer with the Department of Industry and Development, was a recent visitor to the community in connection with the Chamber s interest in location of the Federal Governments heavy water plant.

Mr. Robinson also discussed the town's need for a general plan to present authentic information to industries interested in site location. He expressed his department's willingness to assist in attracting industry to the area.

Though nothing concrete was accomplished by the meeting, Mr. Johanneson expressed the belief that Mr. Robinson's visit did open up an avenue of communication between Drayton Valley and the Department.

Weatherman Thompson Reads Temperature

Editor Goofs

Drayton Valley HAS A Weatherman . . .

Anyone with big feet should be careful about opening his mouth.

The editor of The Western Review found this out last week when immediately after his paper landed on the street carrying an editorial suggesting the need for a local weatherman -- he learned the town already had one.

When the cold weather set in around Christmas we made inquiries around town and determined that so far as anyone knew no record of the local weather was being kept. About the same time Earl Thompson of 5033 - 48 Street decided that the town needed a weather recorder and assembled instruments already in town, contacted the Department of Transport and was in business as the town weatherman as of early January.

The editor proscrastinated and the editorial was about a month late.

However, it all ended well. The Western Review will now carry as a regular feature a summary of the past week s weather provided by Mr. Thompson. The Department of Transport at Nisku receives daily reports and Drayton Valley s weather is now heard daily on CBX radio just before 8:00 a.m. each morning.

Shoe sizes are not standard as to length and width. A five-A width from one firm may equal a six-AA with another. Fashions in heels range from firm supports to the accident-causing high spikes. Before purchasing any footwear, have each foot measured individually.

Cooking Magic

When minutes count what's easier and faster than opening a package of instant whatever-you-want, adding a few interesting ingredients and serving a quick original dish. In our fast paced life, it's handy to have a few "quickie" recipes on hand if you ever get caught short of time with a hungry group standing by.

HONEY NUT TEA CAKE

Place 2 tablespoons butter or margarine, 1 teaspoon cinnamon, 1/4 cup maraschino cherries, 1/4 cup honey and 1/4 cup chopped nuts in an 8 inch pie pan. Set in oven till butter melts. Arrange refrigerator biscuits on top (1 pkg.) one in center, others around it. Bake at 425°F. for 12 to 15 minutes. Invert 1 minute before removing from pan. Delicious with afternoon tea.

QUICK BAKED BEANS

1/4 lb. bacon or 6 strips
1/3 cup finely chopped celery
1/4 cup chopped onion
1/4 cup finely chopped green pepper
2 1-lb. cans pork and beans
1/4 cup ketchup
2 tbsp. brown sugar
2 tbsp. molasses
5 drops tabasco

Sear bacon and brown. Cook celery, onion, and green pepper in 2 tbsp. bacon drippings till soft but not brown. Combine all ingredients except bacon and pour into a 2 quart baking dish. Center bacon, seared side up. Bake in 375°F. oven for 45 to 60 minutes. Serves 8 to 10.

INSTANT LEMON CHEESECAKE

1 8 oz. pkg. white cream cheese
1 pkg. lemon instant pudding
2 cups milk

Beat cream cheese until soft. Slowly beat in 1/2 cup milk and continue beating until smooth and creamy. Add pudding and remaining milk, beat just until thick. Do not overbeat. Pour into a prepared graham crust. Top with remaining crumbs.

LEMON SUPREME CAKE

1 pkg. lemon cake mix
1 pkg. lemon instant pudding
4 eggs
3/4 cup oil
3/4 cup cold water

Combine all ingredients. Mix until blended and beat 2 minutes. Pour into two 9x9 inch pans. Bake at 350°F. for 35 minutes. Remove cake from the oven. Make holes with pronged fork about 1 inch apart right to bottom of pan. Spoon over:

2 cups icing sugar
2 tbsp. hot water
2 tbsp. melted butter
1/4 cup frozen orange juice, undiluted

Let soak into holes. Serve warm with ice cream or cool as is.

FRIDAY PIZZA

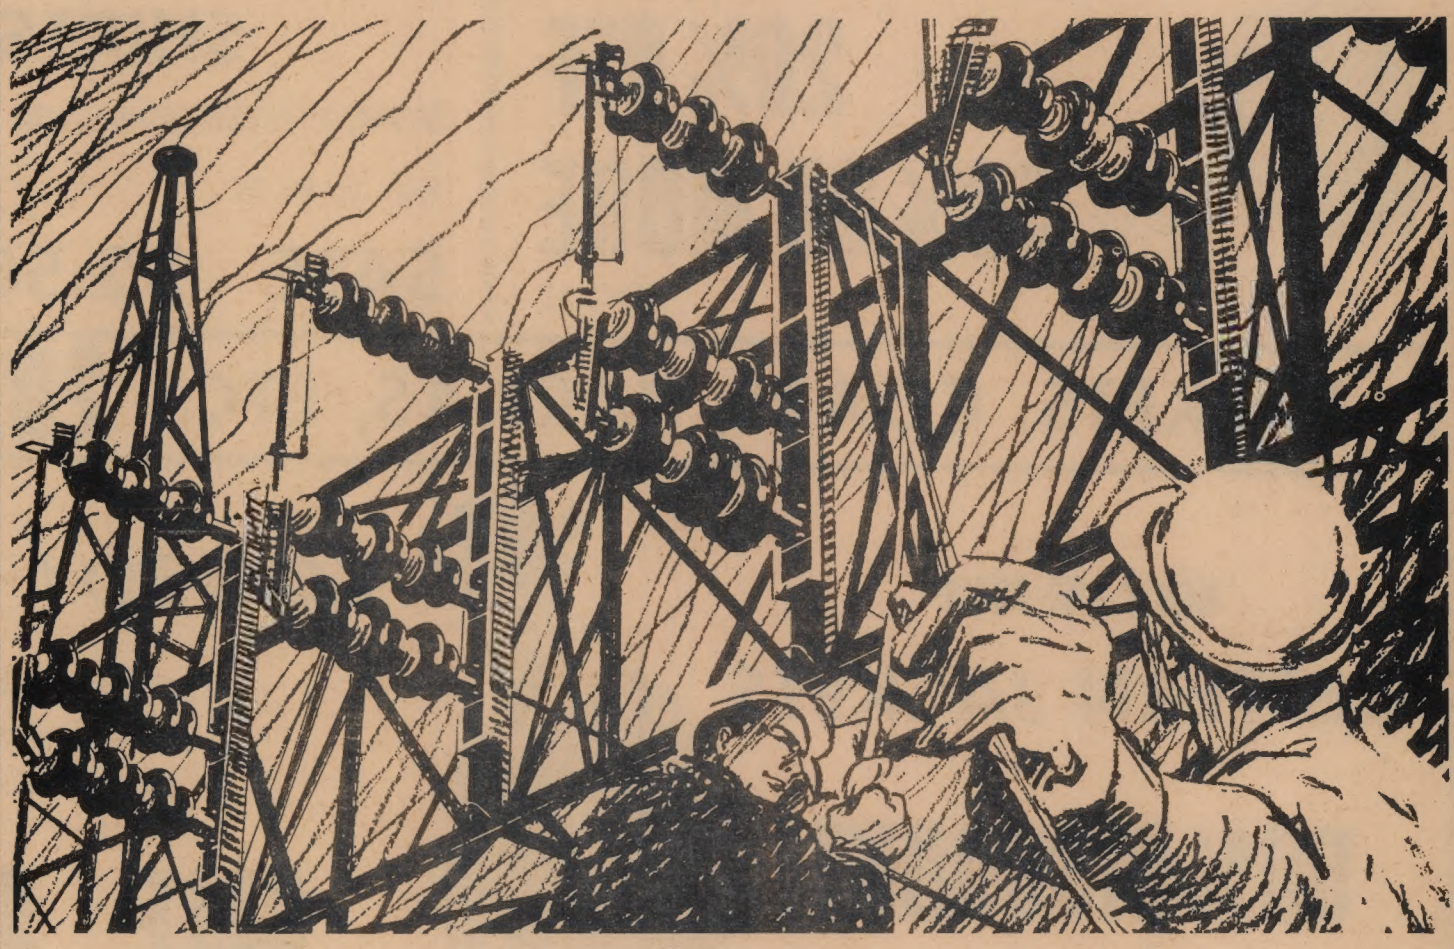
Topping:
1 can spaghetti sauce
1 10 oz. tin sliced mushrooms
1 tsp. oregano
1 6 oz. pkg. Mozzarella cheese sliced thin

Base:
2/3 cup milk
2 cups biscuit mix

Add milk to biscuit mix and toss lightly with fork until blended. Turn out on lightly floured board and knead until smooth. Spread on ungreased pizza pan. Clip dough around edge and press so edge stands up. Spread 1/2 the sauce on dough. Top with Mozzarella cheese slices and mushrooms. Cover with remaining sauce. Sprinkle with Parmesan cheese. Bake at 425° for 20 minutes. Cut into wedges and serve.

Entirely too many women get excited over nothing and then marry him.

Alberta's growth is your safest possible investment



Alberta's phenomenal growth has focused world attention on this province. Yet, the tremendous development carried out so far has barely scratched the surface. Several large projects are underway, forecasting many more to come. You can build your savings on the developments which lie ahead by purchasing Alberta Investment Fund Certificates — a wise, safe investment!

ALBERTA INVESTMENT FUND CERTIFICATES

- Guarantee annual minimum 3½% dividends.
- Offer additional dividends as determined by the net earnings of the fund.
- Can be purchased from any Treasury Branch, Chartered Bank or Investment Dealer in Alberta.
- Available in denominations of $100.00 or multiples of $100.00.
- Are transferable at any time.
- Alberta Investment Fund is a Crown Corporation and is exempt from income tax. Holders of Investment Certificates therefore, are NOT entitled to claim a dividend tax credit on dividends paid by the Corporation.

Editorial — Comment

WHY NOT TOURISTS?

Reported elsewhere in this newspaper is an account of a plan by ARDA (Agricultural Rehabilitation and Development Act) to play a large part in augmenting the economy of this area of western Alberta through a program to increase tourist potential.

Publishing of a brochure outlining tourist attractions in the area extending roughly from Drayton Valley west to Hinton and north to Whitecourt is the first step -- presumably, as the plan progresses, further assistance will be available to help the area realize a much larger income annually from the tourist trade. ARDA surveys have been underway for some time and indicate the area is not coming close to realizing its capability as an outdoor recreation centre.

Not originally included in the plan, Drayton Valley is participating because it fell narrowly within the boundaries when the region was squared off, and now in, should make the most of the opportunity.

Hunting and fishing in the area west of us will probably be one of the items stressed in the brochure as will the attractions of visiting the Pembina Oil Field.

What else has the area to offer you might ask. A few ideas that come immediately to mind include the prospecting possibilities for rock and mineral hobbiests in the valleys of the Pembina and North Saskatchewan rivers; trout fishing near Violet Grove will be available when the local Fish and Game Association completes its project there; much greater use could be made of the recreation potential of the North Saskatchewan; and the history of the area could be researched and made interesting to visitors.

On the latter point we believe an effort should be made soon to preserve the history of the district and possibly some of the artifacts which grow more scarce every year. When the long-talked highway proposals become realities we may find tourists much more prominent on the local scene and an historical attraction could generate a similar enthusiasm to that found across Canada for exhibits of this nature.

A recent Canada-wide survey of graduating high school students indicates that three of every four students believe that business cannot function successfully without the profit incentive.

The survey, taken by the Canadian Chamber of Commerce reveals that over eighty percent of students agree that "job security" is dependent on profitable business operation. These views support the fact that profits encourage economic growth, create better job opportunities, greater security and a higher standard of living.

Rural Leadership Training Planned

The University of Alberta, Edmonton, has plans to undertake a substantial project in rural leadership training and community development through its Department of Extension.

Funds in the amount of $153,000 will be provided over a five-year period through the A.R.D.A. (Agricultural Rehabilitation and Development Act) legislation to the Department of Extension. They will make possible a program of training in community development approaches and an expansion of the work in rural leadership training which the Department has laid on for fifteen years.

This project has been planned in consultation with the major farm organizations of the Province and with officials of the Province's Department of Agriculture. It will provide for an expanded, graduated sequence of leadership training for rural people, and for formal and informal training in the community development process.

Spinster: "So the waiter says to me, "How would you like your rice?"
Friend: "Yes, dearie, go on,"
Spinster: "So I says wistfully, Thrown at me, big boy. "

PUBLIC NOTICE

Notice is hereby given that, under authority of Sections 396 and 403 of The Town and Village Act, being Chapter 338 of The Revised Statutes of Alberta, 1955, with amendments up to and including 1965, the Council of The Town of Drayton Valley, intends to proceed with the construction of the project as shown on the schedule below:

By-law No. 353

			Sub-total -		$10,218.18	2,966.88

2. Total Assessment Against:

All Properties Fronting on 2" Pavement - $68,768.35
All Properties Flanking on 2" Pavement - 3,975.62
Total - $72,743.97

3. Total Assessment Per Front Foot Against:

All Properties Fronting on 2" Pavement - 6.73
All Properties Flanking on 2" Pavement - 1.34

4. Annual Unit Rate Per Front Foot of Frontage to be payable over a period of Fifteen years -

On Properties Fronting on 2" Pavement - .69
On Properties Flanking on 2" Pavement - .14

5. Total Yearly Assessment Against All the Above Properties:

On Properties Fronting on 2" Pavement - $7050.54
On Properties Flanking on 2" Pavement - 415.36
Total - $7465.90

The cost of the project will be charged against the properties fronting and/or abutting, and shall be undertaken as local improvements. The special assessments will be payable as either a prepayment or over a period of Fifteen (15) years. Unless the majority of the owners of the land that may be assessed, representing half of the value of the land aforesaid, object, the local improvement may be undertaken and the costs thereon assessed by the system of assessment referred to in the notice.

If no objections are received the Council will proceed with this project at its discretion but within two years. Final reading of the By-law will be given as soon as all approvals have been received.

TOWN OF DRAYTON VALLEY
February 2, 1966.

a W. G. JOHANNESON,
Secretary-Treasurer.

Winners of Cheerleading Competition

Shown above are members of the Warburg Cheerleading squad who captured first prize in the cheerleading competition held in conjunction with the annual high school basketball tournament in Drayton Valley recently.

ACROSS THE FENCE

W. S. MORRISON
District Agriculturist

STAN McARTHUR
Agricultural Fieldman

"Progressive Farming Days," a display of modern equipment, sponsored by The Department of Agriculture in co-operation with about twenty commercial companies, will be held at the Olds Agricultural and Vocational College on February 15th, 16th, 17th and 18th, 1966; 10:00 a.m. to 5:00 p.m.

The range of equipment displays will be quite wide, with emphasis placed on equipment associated with Beef Production. Mechanical components will be shown for handling and blending hays, silage, grain and supplements for livestock feeding. With more recent advanced livestock prices many of these displays will have a lot of appeal to present day farmers interested in expanding their livestock enterprises. There will be a limited display of swine and dairy equipment. However, most phases of the farmstead, including building structure, ventilation and mechanization will be encompassed in the presentations.

Of interest to homemakers will be a section of considerable size depicting utility room arrangements, lighting effects, floor coverings and home finishing materials, both interior and exterior. Talks and discussions regarding these will be given daily in a separate lecture room.

On each of the four days there will be many illustrations, films and much information on new methods and improved mechanical ways of making farming more profitable and enjoyable around the farmstead and in the home. Each day's program is the same. To even out the attendance we in the area North of Wetaskiwin are asked to attend on Friday, February 18th.

While many may think the distance too great, yet this undertaking is Province wide and the Olds College is reasonably central for most interested farmers. If you will arrange to go in groups the cost may be reduced. The road is good and we think you may enjoy the day's outing and gain much new and worthwhile information. For further information regarding this presentation contact the Agricultural offices in Evansburg and in Edson.

TRACTOR MAINTENANCE SCHOOL

The week's Tractor Course will be held at the I.H.C. Shop in Entwistle, February 21st to 25th, 1966. To date, the maximum number of twenty-five students has not been reached. The registration fee is $5.00. Care and operating maintenance of tractors is featured throughout the course. If you are interested, come into the Evansburg Agricultural office and give us your application.

LICE ON RANGE CATTLE

Cattle wintering outside are often subject to attack by sucking lice. Often during prolonged cold spell they have free access to develop and multiply. Heavy lice infestation may weaken animals and can cause their death through anemia. In any case such loss of blood causes weakening and makes them more susceptible to disease.

Mr. Joe Shemanchuk, entomologist with the Canadian Department of Agriculture Research Service, says sucking lice are found most often at the tailhead, on the brisket, on the neck and head of cattle. Infected animals now may become extremely lousy by spring time, unless treated. During cold weather a dry treatment may be administered with satisfactory results.

Choose your own insecticide says Shemanchuk, and follow carefully the labelled directions for residues, toxicity to animals, and hazards to persons administering the insecticide.

Trained elephants recognize 20-25 different work commands.

ATTENTION BRIDES !!

The Western Review will carry the story of your wedding, including a picture if available, without charge However, we ask that the account of your wedding reach us not more than a week or possibly two weeks after the wedding.

On a number of occasions in the past we have carried accounts of weddings that were several months old, but in future we will not accept wedding stories that are not of current interest.

Pictures for newspaper reproduction should be sharp black and white photos. Color pictures cannot be used.

Quarterly Report Of Health Unit

Fourth quarterly report of the Edson Health unit to the Board of Health was released last week. The report notes that Dr. H. Shimbashi has replaced Howard Pickup as representative of Drayton Valley on the board.

Vital statistics for the months of October, November and December give a total of 137 births and 26 deaths.

EPIDEMIOLOGY

The inc dence of Communicable Diseases reported to the Health Unit office during the quarter has again been low. Sporadic cases of Measles, German Measles, and Streptococcal Sore Throat, have been reported but no outbreak of any magnitude has come to the attention of the Health Unit.

An outbreak of what appeared to be food poisoning occurred in one area of the Unit. Some forty to fifty persons were affected following a banquet. Samples and specimens of food and from patients revealed no causal organism. It is likely that the cause was a staphylococcal toxin type of food poisoning.

There were five admissions to and five discharges from the Aberhart Memorial Sanatorium. Regarding the admissions to the Sanatorium, two cases were diagnosed as non-tuberculous.

Sixty-eight clinics were held during the quarter with a total attendance of 1,466. The average attendance was 21.5

The Unit reports that school health services are proceeding as per the scheduled program and arrangements have been made for all immunizations to be undertaken as required.

SANITATION

At a local milk producers meeting on November 4th, it was decided to convert to the bulk tank operation by January 1st, 1966. While several of the shippers were ready for the installation of tanks, others were confronted with either new milk houses or major improvements to existing facilities. This created numerous construction problems during the severe weather and it is hoped that the improvements made will not deteriorate due to the untimely change over.

Recent inspections of the milk shed indicated that the bulk tank pick up will not be in effect by the proposed date.

Visits were made to all hardwares, drug and variety stores in our health unit concerning the possible contamination of "Freezable Novelty Plastic Ice Cubes" contents. Retailers involved were most co-operative in the removal of these items from their shelves.

A new Slaughter House at Drayton Valley is now completed and will be providing a better standard of custom slaughtering for the residents in the area.

The Town of Hinton is contemplating additional filtration for the swimming pool to overcome turbidity problems previously experienced.

The Town of Edson is investigating the possibility of locating a new site for the Waste Disposal Ground.

School inspections revealed a reasonably good standard throughout with the exception of two isolated areas where difficulties were encountered in obtaining competent custodians.

SELECTIVE SOUND OF ALBERTA

The main ingredients of Radio Station CHQT programming are fine music, in-depth newcasts, a strong editorial stand, top flight sports reporting by Hal Pawson of the Edmonton Journal, Market Reports and limited commercials.

The slogan is "a maximum of music, a minimum of talk."

Old standards or memory tunes, show tunes, operettas, opera, symphonies, folk songs and jazz, are all offered. Music is broadcast in uninterrupted clusters or islands of ten minutes at ELEVEN-10 on your AM radio dial.

There will be parking lots at Expo for 25,000 cars and a basin for 250 yachts.

British auto sportsman R. R. C. Walker (above) has had a life-long devotion to fine machinery. Obviously he knows something about cars . . . but one thing he didn't know was how remarkably quiet the 1966 Ford is.

"1966 Ford quieter than my Jaguar? Not jolly likely!" said Rob Walker

... then he drove the Ford.

Ford's Quiet Man, who recently demonstrated the extraordinary quality of the 1966 Ford to owners of some of the world's most expensive luxury cars, here discusses the '66 Ford LTD with Rob Walker at his family's estate in Wiltshire, England.

Compare *your* car with the quiet of Ford's solidly built body. Take a "Quiet Test" today.

British sportsman Rob Walker was skeptical about comparing the quiet of the '66 Ford with his hand-finished Jaguar Mark 10.

But then he *drove* both cars, and said, "*This really is astonishing* . . . I believe this Ford of yours really *is* quieter. Astonishing!"

Compare *your* car with the '66 Ford and you'll understand his astonishment. Ford's quiet ride is a direct result of more built-in quality—a strong, solid body that gives you quietness that compares with the world's most expensive automobiles.

This quiet quality means more *value* for you because today's Fords are built for years of dependable operation, years of owner satisfaction.

And with it all, of course, come Ford's wonderful new ideas for your comfort and convenience. Stereo Tape players. Silent-Flo ventilation. A "Magic Doorgate" on wagons that swings out like a door, and down like a tailgate. And a host of other features offered first by Ford.

Visit your Ford Dealer for a quiet revelation of the solid quality you get in a Ford.

Legion National Convention in April

OTTAWA - Admiral Lord Louis Mountbatten opens the Royal Canadian Legion's 21st National Convention in Montreal on April 17th.

An estimated 1,400 delegates representing 275,000 members will attend the 6-day meeting at the Queen Elizabeth Hotel.

Lord Mountbatten will officially open the convention on the evening of April 17. He will also address the first business session on the morning of April 18th.

In some respects the convention will be the most important in the Legion's 40 year history. One of the main topics of discussion will be the Legion's role in Canada's second century. A Legion centennial fund of $1,000,000 is now being raised to perpetuate the organization's future.

Another item of major importance will be a discussion of assistance to veterans in emerging Commonwealth countries. Lord Mountbatten is expected to outline conditions existing amongst Commonwealth veterans. At present the Legion contributes $12,000 a year to the British Commonwealth Ex-Services' League.

About 250 resolutions are expected on topics ranging from veterans' legislation to track and field and the Canadian Flag.

Lodgepole News

Mrs. W. Norquay
Correspondent

Mr. D. Daniels twisted his knee while he was curling in the bonspiel. It was pretty painful I understand.

When I saw Mrs. Andy McGaughey watching the curling I had a talk with her and learned that they had sold their trailer here in Lodgepole and built a three bedroom house in Drayton Valley. Dot McGaughey worked on the telephone switchboard when I worked there before it was converted to the dial system.

The Don Goodheart family are leaving us soon. Don is already working in Kindersley His wife and family are going to Saskatoon to stay with Mrs. W. Goodheart till Don can find a house for them. We all hope they have a pleasant journey and find happiness in their new home.

I travelled to Edmonton on the bus Friday with Mrs. P. Robinson and saw her off on a trip to visit with her son and his family, Don, Joy and Cindy Lou Robinson at Goodfair and then to visit with another son, Mr. and Mrs. R. Chase and family at Fort St. John, B.C.

While talking to Mr. Horinek in the city, he informed me that he and his wife and some of the hair stylists were leaving Edmonton on the 23rd of February on a trip to Japan, China and Hawaii for six weeks. I understand there will be a group of hair stylists making this trip to show different hair styles.

TRY THE CLASSIFIED FOR BEST RESULTS.....

INTERDENOMINATIONAL BIBLE STUDY

This Thursday, February 10th, the group will meet in the home of Dr. and Mrs. David Lewis at 8:30 p.m. to continue the study of the book of Revelation.

You are cordially invited to join us in our discussion which is very informal and to stay for coffee and refreshments afterwards.

Measles Vaccine Available

Measles vaccine has now been made available by the Department of Health, Province of Alberta.

It will be given to children between the ages of three months and three years (i.e. a child may start these inoculations until he has attained his third birthday. However, once started, he may continue these shots. Initially, three inoculations of killed vaccine will be given at monthly intervals.

The vaccine will be given to all children of the above ages who have not previously had Red Measles. An attack of measles will give the same protection. The vaccine will be given at all regular infant, child and adult health clinics.

Special parental consent will be required before this protection will be given. This consent will be arranged at the clinics.

Please contact your nearest Health Unit Office for further information.

The Expo stadium will seat 25,000.

Moon Lake News

Mrs. Barbara Schenk
Correspondent

Mr. Charlie Wall came home for a short visit this weekend.

We hope Bill Chaney and Floyd Chambers will soon be feeling better.

The Bingo at Moon Lake Community drew a huge crowd last Thursday. The monthly meeting of the Community League will be held Monday, February 7th.

There have been two large moose seen in our vicinity by Bertha Wall and Lloyd Chambers. Coyotes seem to be plentiful.

There will be a dance held in the Moon Lake Hall on Friday, February 11th.

F.U.A. NEWS

The F.U.A. meeting will be held this Saturday, February 5th in Millbank School at 8:30 p.m.

The number of seats in Canada s House of Commons was increased from 235 to 245 in 1925, to 262 in 1949, and to 265 in 1953.

Evansburg News

Mrs. Bruner, Correspondent.

Well, the weather seems to have given us a break during the last few days. At least not so many people complain of the cold -- maybe they are just used to it.

Farmers and their wives taking the farm management course in the Legion Hall every second Wednesday have not missed many classes due to the cold. Our farmers and their wives must be a hardy group.

The Evansburg High basket ball players hosted the Edson High players for an evening of basketball. The senior girls won but the boys lost their game. The same teams went to Drayton to play in the tournament the next day and the outcome of those games has already been reported.

Mr. Mazeppa and Cpl. Shulz motored to Edson to take in some cub leader courses offered for adults interested in cubbing and scouting. Mr. Don Smith also went but attended the scouting half of the lectures.

The students at the High School were surprised to see Mr. Ken Jenson prowling along the halls last week. Mr. Jenson is a former teacher from here attending University and was out conducting an examination survey in connection with his studies.

Mr. Becker is now beginning to take over the classes which Mr. Hamid was teaching. Mr. Hamid is leaving for his home in India in a few weeks.

Mr. Smith's junior basketball boys and girls teams won their games played with the Entwistle teams last week.

This month's meeting of the Chamber of Commerce was chaired by Mr. Peterson due to the illness of president Mr. K. Fausak. Among the many business items discussed was the change in store opening hours which is being considered by the village merchants.

5. Total yearly Assessment Against All Properties - $3131.05

The cost of the project will be charged against the properties fronting and/or abutting, and shall be undertaken as local improvements. The special assessments will be payable as either a prepayment or over a period of Ten (10) years. Unless the majority of the owners of the land that may be assessed, representing half of the value of the land aforesaid, object, the local improvement may be undertaken and the costs thereon assessed by the system of assessment referred to in the notice.

If no objections are received the Council will proceed with this project at its discretion but within two years. Final reading of the By-law will be given as soon as all approvals have been received.

Open 8 a.m. to 11 p.m. 7 days per week

Shown above are members of the Drayton Valley Junior High School Huskies, Divisional "A" leaders with a 3-0 record in the newly formed Junior Pembina Basketball League. Back row from left to right: Doug Ibbitson, Steven Hoge, Bernie Frost and Don Bouchard. Front row, left to right: Brian Briere, Doug Rennie, Neil Samis and Lee Hurley. Absent when the picture was taken were Danny Bartlett, Cameron Ward, Danny Thompson, Rodney Schultz and Brian Luchak.

Rebels Edge Edson Twice

The Drayton Valley Rebels have been eliminated from the Hi-Way 16 West Intermediate "C" Playoffs, but this certainly has not meant the end of the road for the local team by any means. The Rebels hit the exhibition circuit over the weekend by entertaining Edson on Saturday evening and again on Sunday afternoon. The Rebs took Saturday's encounter 6-3 and came back from a deep deficit to pull Sunday's contest out of the fire by a 10-7 score.

The Drayton team had a comfortable edge over the visitors during most of the Saturday night game. The final score was pretty much indicative of the night's play. Alvin Hopfe, Lyle McGinn and Fred Kerr led the Rebel rush with two goals each to account for the total of the game's scoring. The Edson team got threatening attacks under way from time to time, however throughout most of the game, their offense was inconsistent and it lacked that final polish around the net. The Rebels were the sharper team and took advantage of every opportunity to come out victorious.

Sunday afternoon, however, things were vastly different, at least for two periods. The Edson team came out all primed up and looked like they would completely demolish the helpless Rebels. The visitors took a quick lead and after two periods they were leading by a commanding 7-3 score. Up to this point it was a reversal of Saturday's game with Edson controlling the proceedings almost at will.

In the third period, however, the Rebels came back in terrific fashion and suddenly the roof seemed to fall in on the Edson crew. Drayton rapped in seven unanswered goals in this final frame to make the final score read 10-7 in favor of the Rebels.

Lyle McGinn, Gerald McMorris, Roy Hutchinson and John Hutchinson led the Rebels in their comeback effort with two goals each. Bill Hutchinson and Willard Roper got the singles to round out the afternoon's scoring for the local team.

In October 1965 there were 7,008,000 Canadians with jobs, an increase of 290,000 from one year earlier, unemployment totalled 171,000 a decrease of 86,000 from one year earlier.

AN OLD BELIEF

An English girl of Shakespeare's time, used to pin bayleaves to her pillow on St. Valentine's Eve, convinced that if she dreamed of her sweetheart, she would be married before the year was out.

A donation of blood is a gift of life.

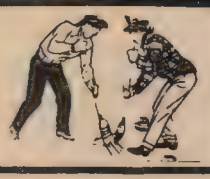
Curling News



The column wishes to inform its readers that it was Grant Campbell, Irene Campbell, Ray and Bea Wickens that won the top section in the Mixed Curling League. This same rink won the mixed open last year and have not lost any of their polish this year.

Gary Bannard skipped his rink once again to the "A" Section championship in the regular Men s League Curling. It was only a hit and stay shot that would have let Adrian Meier beat Bannard and put Fiveland into the section winners circle, but as fate would have it, these things always happen.

In Section "B" Billy Rose could not withstand the last minute rush of the Howard Cathrea foursome as they slid past Rose in the last few games of the schedule to take home the silverware. Cathrea with Dr. Ian Waugh, Tom Henderson and Brian Gooding are starting to show some of the ability they displayed a couple of years ago when they were almost unbeatable, winning almost everything that the club had to offer.

In "C" Section, former Drayton Valley Open Winner Al Casey had little trouble in disposing of the competition in the square to win the Section handily. Casey has always been a top contender in the club and a good supporter. Al is noted most for his flawless draws and especially the complicated procedure of placing 64 rinks into 6 events in less than four days.

Jim Bell upset the apple cart in Section "D" as the rink, almost an unknown in the club to date, made the rinks in the section look up as he went almost undefeated through the section. Bell is a former Drayton Valley Curler, but for the past five years has been in the Pan American Office at Calgary, being transferred back to this town only last fall. Jim Bell and his wife are both outstanding supporters of the Club as they are involved in the Men s League, Mixed League and Ladies' League.

Final plans are now being set for the highlight of the Men s Curling year, the Open Bonspiel. As last year, the donors reception will start the bonspiel on Wednesday the 23rd of February from 5:00 to 7:00 p.m. The Club will be hosting the donors, who are the supporting body at the bonspiel. It is hoped that all donors will take advantage of this gesture to have a look at the Club and watch some outstanding curling. Those who arrive at 5:00 will have a chance to watch the official rock throwing ceremonies. The personality that will be doing the honors this year will be announced later.

Entries to the open bonspiel are filling in at a rapid clip. Up to press time some 44 rinks had filed entry and with only 20 more to go. We would urge any local rinks to enter this week or they will end up on the outside looking in. The Club is hoping to receive the entry of Normie Rose of Sedgewick, he will be more than likely drawn against a strong contender in the Club, Bill Rose, a father to Normie, former Brier winner and who looks like he may go all the way this year in the Senior Consols run. This more than likely would be one of the feature games of the bonspiel. Bill has never had a chance to play his son in any bonspiel in the last few years since Normie has really come to light in the Sedgewick area, also making a great name for himself in the Northern Alberta Consol playoffs two years ago and winning the annual Yuletide spiel the same year.

Two rinks, one skipped by Rod McDonald and the other by Emile LaBranch were playing in the Entwistle-Evansburg Bonspiel. The full quota of 32 rinks were entered. At Mulhurst, better known for their Golf course and tournaments, Billy Rose & Company went down to the two s of the first event before bowing out of the bonspiel.

We would like to remind the curlers again that there are only two weeks left to bonspiel time so please get your entries in now, dates of the bonspiel are February 23rd to 27th.

The local branch of the Legion will be hosting 7 rinks from all parts of Alberta to the annual Alberta Playoffs to decide the winner to represent Alberta in the Dominion Legion finals later this month. In conjunction with the Playoff the Legion will be offering to the sportsmen in the town a Sportsmen s Dinner with some of the top sports personalities in attendance. The ticket sale is limited and are available from any Legion member.

LADIES' CURLING

With the first round of the Round Robin completed, the rinks are now divided into two sections.

In the A section the rinks are: LaBranch, Mackenzie, Boliantz, Mohn, Shearer, Samis, Rennie and Waugh.

In the B. section the rinks are: Kent, Timmins, Copeman, Poloway, Selin, Metcalfe, Hansen and Bray.

The Drayton Valley Ladies' Open Bonspiel which is to be held on March 18th, 19th and 20th this year, has proved to be so popular that the entries have had to be extended from 32 to 48 rinks, with entries coming from as far away as Calgary. Will all local skips please verify their entries with drawmaster Fay Shearer or president Betty Waugh

Two rinks of local interest, the Edith Kent rink of Mary Todd, Fay Shearer and skipped by Louise Banick and Sylvia Copeman s rink of Stella Bray, Marg Hansen and Doreen Harrison, attended the bonspiel at Breton over the weekend. Both rinks returned with prizes.

The Kent rink was curling in the fours in the first event when they were knocked out by the Ladoceur rink of Breton. The Copeman rink was knocked out in the fours of the second event by the Wilson rink of Edmonton and Breton.

The Breton Club hosted a very delicious turkey dinner on Sunday and entertained the curlers with songs and stories.

Summary – C.W.L. Regular Meeting

C.W.L. was held February 7, 1966 at St. Anthony's School. Sister Mary Florence and twenty-two members were present. After the opening prayers, minutes and treasurers report, Mrs. Hennessey reported that our regular donation was sent to Equador in support of a seminarian.

Mrs. Sophie Lemermeyer has agreed to stand as a representative on the local welfare council. Mrs. Marilyn Neihaus is collecting nylons for Korea.

The annual World Day of Prayer will be held Friday, February 25th at 8:00 o clock p.m. in the Pentecostal Church with six denominations participating. Readers for St. Anthony s will be Mrs. Ona Trudel and Mrs. Patti Tomaszewski. All persons are welcome.

C.W.L. will hold a membership tea at 2:00 p.m. on April 24th in St. Anthony's Auditorium featuring a program surrounding C.W.L. activities.

Bingo fans -- watch for an announcement of a Ham Bingo to be held in the Elk s Hall, two or three weeks before Easter.

New Books At Library

This week's mail brought some interesting books for adults. In the non-fiction department there was Arthur Schlesinger's "A Thousand Days." Of all the things written about the late President Kennedy this is thought by many to be the best. "The Viruses" by Helena Curtis has already attracted some attention. Do you like mysteries? We have Rex Stout s "The Doorbell Rang." Remember Anya Seton who wrote "Dragonwyck" and "Katherine" to mention two? Her recently published "Avalon" promises to be equally fine. This historical novel deals with the last qu quarter of the tenth century. "Thomas" by Shelley Mydans is the story of Thomas Becket and King Henry II. For Irving Stone admirers there are "Those Who Love" and "Lust for Life."

Plan to Attend 'Careers Night'

Parents of High School Students and any interested person will be welcomed at the "Careers Night" sponsored by the Frank Maddock High School in Drayton Valley.

The program will commence at 8:00 p.m. in the High School auditorium on Wednesday, February 16th and will provide students and parents with some insight to the opportunities open to the younger generation. Speakers from all walks of life will be present from Edmonton and Drayton Valley to give an outline of the qualifications, opportunities, advantages and disadvantages of various vocations.

HOCKEY SCORE SHEET

HI-WAY 16 WEST LEAGUE:

Pee Wee --

Saturday, February 5th - Onoway 4, Drayton Valley 0.

Bantam --

Saturday, February 5th - Winterburn 7, Drayton Valley 5

Sunday, February 6th - Onoway 9, Drayton Valley 0

Intermediate "C" --

Tuesday, February 1- Spruce Grove 4, Drayton 3

Four point game to finish league schedule. Drayton Valley eliminated from league playoffs.

INTERMEDIATE EXHIBITION

Edson 3, Drayton Valley 6

Edson 3, Drayton Valley 10

Both games played at Drayton Valley Saturday night and Sunday afternoon.

GOVERNMENT APPOINTMENT

Industrial Development Officer L.D. "Lew" Robinson of the Alberta Government's Industrial Development Branch has been appointed Secretary of the Alberta Industrial Development Board, replacing W. Brese. The board is made up of representatives from cities and urban centres in Alberta and the Industrial Development Branch of the Department of Industry and Development.

Prior to joining the civil service in 1961 Mr. Robinson, 48, was an Edson businessman, representing that community on the I.D. Board.

Peter Ferenczy

Sports Dinner Feb. 19

Pictured above, Peter Ferenczy, Executive Chef to the Royal Glenora Club, Edmonton, wearing his Master Chef medallion. Peter will be in charge of preparing the meal for the Royal Canadian Legions Sportsmen s Dinner being held on February 19th.

The Master Chef medallion is awarded only after successful completion of exacting exams, supported by 25 years experience or/and University training.

The dinner will have as main course roast Cornish Game Hen and will be preceeded by a cocktail hour and followed by speakers well known in the sports world and also film and live entertainment. Although tickets are limited to 200 you can still get to attend this dinner by getting your tickets now. The ticket will also entitle the holder on a chance for an all expense trip for one to 1966 Grey Cup at Vancouver. Tickets are available at Copeman s Shoe Store, McFarland Lumber and Norm s News or by contacting any Legion member.

Fibrinogen is a blood product made from blood plasma. It is one of the clotting factors in the bloodstream. A transfusion of fibrinogen is often needed in cases of uncontrollable bleeding such as haemorrhage during or following childbirth.

LLOYD'S JEWELLERY

Canadian Chamber Pre-Budget Brief

OTTAWA - The Executive Council of the Canadian Chamber of Commerce said last week the government should direct its efforts to maintaining the forward momentum of the economy and to avoid the distortions of inflation.

In its annual pre-budget brief to the Ministers of Finance and National Revenue the Chamber's Executive Council said it looks very much as if the immediate major economic problem will be to prevent the notable economic advances of the last few years from being dissipated by inflation.

Signs that the economy is rapidly approaching, if indeed it has not already reached effective full capacity and employment levels are shown by rising prices and labour costs, a dramatic drop in the unemployment rate, and a growing shortage of certain types of labour, especially skilled labour.

There is need for continuing appraisal of all current and proposed government spending programs for the purpose of assigning priorities and of postponing those with the lowest priorities, so that the country may continue to enjoy prosperity without inflation. This it was stated, calls for even greater emphasis than ever on federal-provincial co-ordination to ensure that fiscal restraint at the federal level is not offset by contrary action by the provinces.

Anglican W.A. Meets

On February 2nd the regular monthly meeting was held in the Parish Hall with 12 members present and 3 visitors.

The meeting began with Prayers and readings from our "Living Message."

Mrs. Tyler has volunteered to be our representative to the town's Christmas Welfare Organization.

Parishioners are reminded that the J.A.'s are selling calendars.

Mrs. Ingram gave a very interesting report on what the Anglican Church is doing in Hong Kong and what has been accomplished through the Anglican World Mission Fund.

There will be a Pan Cake Supper in the Parish Hall on February 22nd.

The meeting adjourned and a lovely lunch was served by Mrs. Ingram and Mrs. Pierlot.

The coral snake is one of the smallest vanomous snakes.
